

WS5.2 – Soil Detective Toolkit

Part 2: Team Reflection Sheet

Team Members: _____

Location Observed: _____

Date: _____

1. What does this soil tell us about the site?

2. Is this a healthy soil environment? Why or why not?

3. What factors might be affecting the soil here (e.g., trampling, pollution, erosion)?

4. What is one thing we can do to support soil health in this space?

5. What was the most surprising discovery today?

Use this sheet to reflect as a group after completing your soil investigation.
